

初診時選定療養費

FEE FOR TREATMENT OF PATIENTS' CHOICE

To coordinate the allocation of functions and activities among medical institutions, the Japanese Ministry of Health, Labor and Welfare has instituted a system under which a patient is required to pay a fixed fee by each institution, in addition to the fee for the first visit, if the patient is visiting a hospital with 200 or more beds without being referred by another authorized insurance medical institution. as stated below

If during a patient first visit, the patient does not have a referral letter from an another institution and visit the hospital directly, you will be charged a "selective medical expense in addition to the increased first visit fee.

If you undergo specific health care that is publicly funded or if you are taken to the hospital by ambulance, you are not required to pay this fee.

Additional Fee for a First-time Patient without a Referral

Medical:First-visit fee/subsequent-visit fee (7,700yen / 3,300yen)

Dentistry:First-time fee/subsequent-visit fee (5,500yen / 2,090yen)

subsequent visit:

Patients who have made written referrals to other medical institutions, etc. wish to continue to visit our hospital and will be examined at our hospital (the first time only).

I understand the explanation. (Yes / No)

現在、厚生労働省では、「医療機関の機能分担」の推進のため、200床以上の病院において他の保険医療機関等からの紹介なしに初診で受診した患者様の場合、初診料以外に各病院で定めた金額を頂く制度を定めております。そのため初診時の患者様で、他の保険医療機関からの「紹介状（診療情報提供書）」をお持ちでない方が直接来院された場合、初診料とは別に「選定療養費」を頂いております。なお、特定の公費医療を受けておられる方や救急車で搬送時の場合等をご負担頂く必要はございません。
